The Quantum Space-Time Seminar

Bootstrap equations from conformal integrals as GG system.

Koushik Ray (IACS, Kolkata)

Date and time: 11 AM, 11 Nov 2025 (Tue)
Venue: A 304

The zoom link will be sent separately.

I shall discuss a form of conformal bootstrap equation in Mellin variables obtained by expressing correlators in terms of conformal integrals and then relating the latter to a Gauss Grassmann system associated to GKZ hypergeometric systems.
